

★ ★ ★ ALL ★ ★ ★ AMERICAN CUPOLAS

- Available in 24", 36", 48"
- Wide variety of styles
- Optional lite kits
- 33 stock colors
- Custom colors available

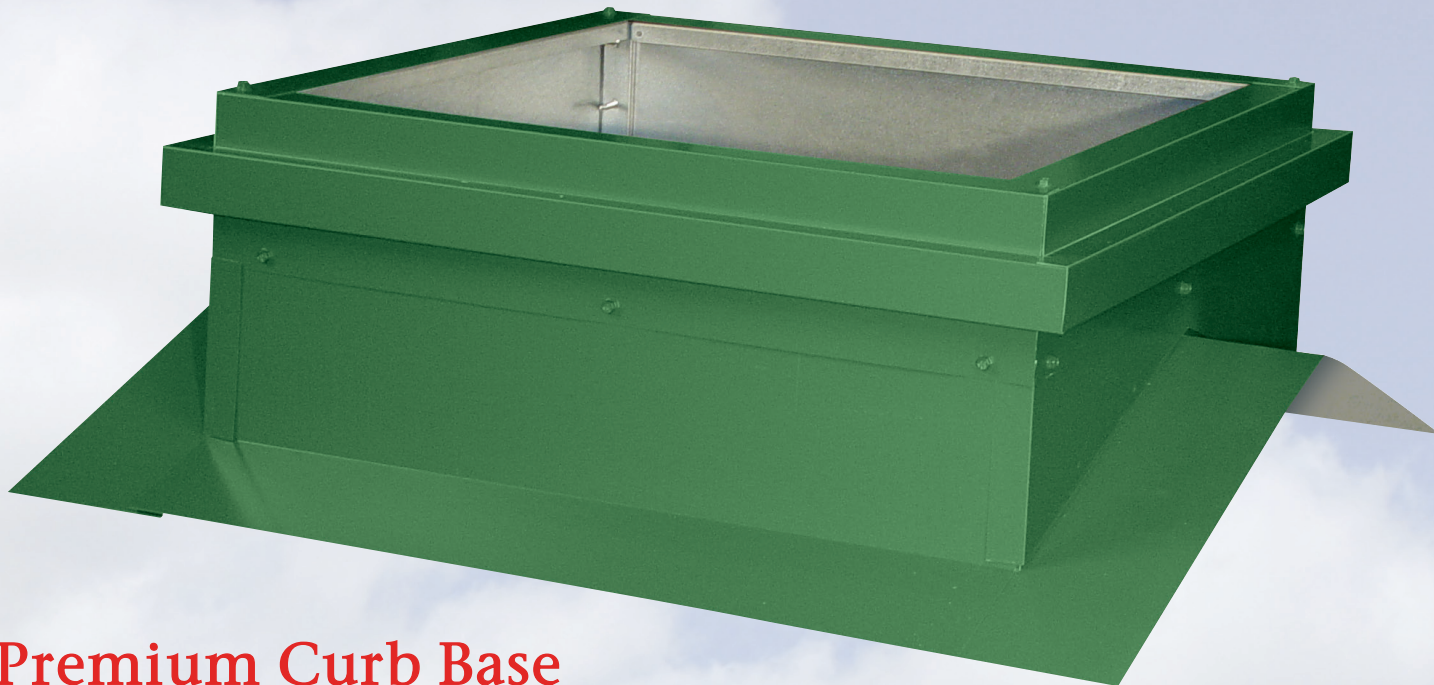

All American Roof Cupolas

Curved Roof, Straight Roof, Lited Sides, Premium Base and More... All American has the Cupola you're looking for with many possibilities.

We have incorporated:

- ▶ Available in 24", 36" and 48" sizes with either straight or curved roof panels. The entire 24" and 36" cupola is constructed of 29 gauge pre-painted steel. The 48" cupola has a 26 gauge pre-painted steel roof.
- ▶ Pre-painted steel construction. Colors and color combinations, that match most roll-formed steel colors. Specify roll-former when purchasing.
- ▶ Assembles on job site in minutes with slide on metal connectors for straight or curved roof and wall sections.
- ▶ Bird screen included for mounting in curb.
- ▶ Roof interlocks with sides for tight connection.
- ▶ All metal joints feature "Tog-a-Loc" construction, for non-rusting permanent construction.
- ▶ Optional curb cap if no air flow for ventilation is required.
- ▶ Packaged KD for economical shipping, with fast, easy assembly on building site.
- ▶ Full perimeter reinforced hemmed angles for rigid window frame opening.
- ▶ Galvanized steel internal gussets for diagonal strength.
- ▶ All American manufactured acrylic glazed white aluminum windows installed in each side.

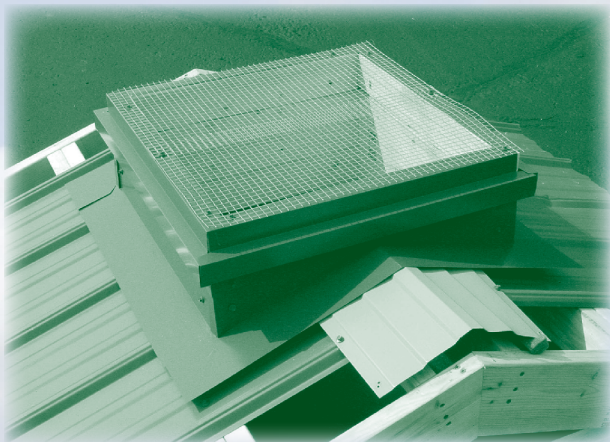

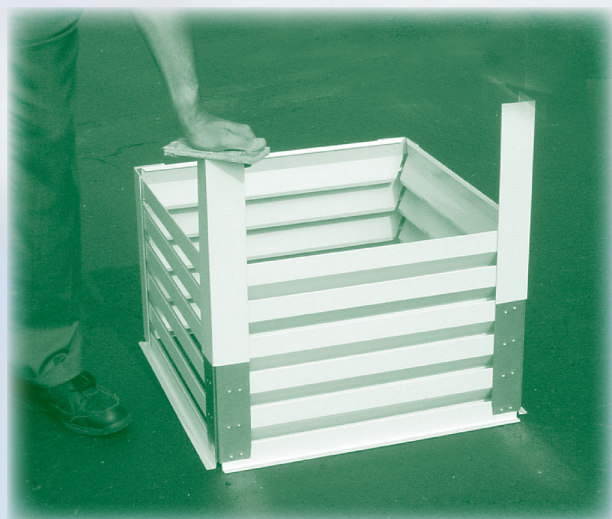

Premium Curb Base

(Picture shows steel curb with Premium Base Trim)

- ▶ Curb comes KD or Pre-Assembled with Premium Base Trim.
- ▶ Made from Heavy 14 GA G-90 Galvanized Steel.

Bird screen is included for mounting on curb.

All metal joints feature "Tog-a-Loc" construction, for non-rusting permanent construction.

CUPOLA COLORS

Pre-painted steel construction. Colors and color combinations, that match most roll-formed steel colors. Specify roll-former when purchasing.
